plug-and-play

available at Hatracoco.

Durable

The special design makes it possible to operate the spark plugs up to 6.000 hrs* without re-gapping.

Safe

The robust design and "Hot-Lock"-process ensures top performance and safe operation for your engine. No need for metal barrels PCP's.

Less waste

The amount of waste is reduced by using a far more durable solution compared to long metal barrel PCP's.

**lifetime depends on operating conditions.*

Available at Hatracoco

Replaceable and cost-effective

Hatraco® spark plug extensions with the Hatracoco PCP's

leads are durable, cost-effective and easy replaceable compared to the

The Hatracoco® HT leads:

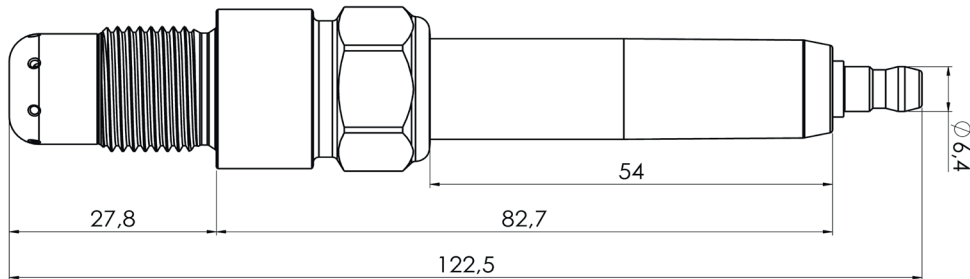

- 2 week shipment after receiving P/O

**lifetime depends on operating conditions.*
