

# NEW BOSCH® 7360

## DOUBLE PLATINUM M18 SPARK PLUG

Combining proven reliability features while conserving cost benefits of high Platinum alloys

**7360** replaces the 7306.

Insulator without ribs Improves contact between spark plug and connector

Best-in-Class ceramic material with even higher dielectric strength

Improved protection against corrosion thanks to a new coating process for the thread and housing

Bosch patented 360° CW laser welding process of the center electrode increases service life and longevity

Nickel plated steel one-piece SAE connector

Increased wall thickness improves mechanical and dielectric strength

Newly designed housing increases mechanical robustness

New Platinum center electrode design increases service life

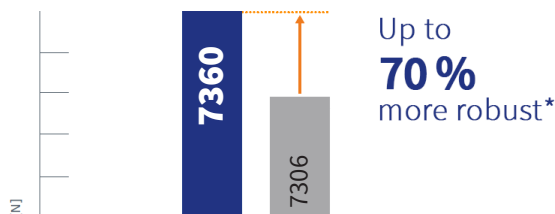

**PATENTED    FIELD PROVEN    SUPERIOR**

The patented Bosch® EVO technology stands for improved quality, durability and lifetime. Whether it is increased performance, system reliability or cost reduction, all these improvements benefit customers directly.

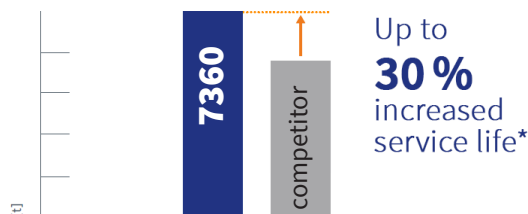

## Benefits

### Enhanced robustness

1. Mechanical robustness

### Extended service life

\* Results based on field experience

## Specifications

7360	
<b>TYPE NUMBER</b>	: 0 242 356 522
<b>TYPE CODE</b>	: MR 3 DPP 330
<b>THREAD</b>	: M18x1.5 mm
<b>REACH</b>	: 20.5 mm (13/16")
<b>GAP</b>	: 0.3 mm (0,011")
<b>HEX SIZE</b>	: 22.2 mm (7/8")
<b>ALLOY center/ground electrode</b>	: Platinum / platinum (pl/pl)
<b>RESISTANCE</b>	: 6 kΩ
<b>TIGHTENING TORQUE</b>	: 70 Nm, without Lubricant

## Why Hatracco?

For more than 35 years, Hatracco is an independent trading company specialized in ignition, governing and control products for industrial reciprocating engines, both spark ignited and diesel.

With our: In-house engineering  
In-house production  
In-house service

we guarantee that your project is in **best hands** with our company.

**We solve** your problems and give you the **best solutions**.

## IT'S ALL AROUND ENGINES

## Try the best solution!

Contact your local Hatracco representative for any information you may need.

Our well selected business partners provide you with professional support in your own language.
